
UNISON Energy

UNISON in EDF Energy

If you work for EDF Energy you can get essential cover at work by joining UNISON – the UK's leading trade union.

UNISON is a key union in energy with member in all the major companies. We have a strong presence in EDF Energy with members working across many parts of the EDF business.

So if you need advice and support at work, legal help, financial assistance and debt advice or compensation for accidents, UNISON has got it covered.
